

ERASMUS + LANGUAGE TEST SCALES

Step 1: A2 level test with a minimum score set at 70% (from 0% to 69% the score will attest the non-achievement of level A2) corresponding to 21 correct answers out of 30. The candidate who will get from 80% to 100% (24/30 correct answers) in the A2 level test can go to step 2 and perform the corresponding B1 level test.

Step 2: B1 level test with a minimum score set at 70% (from 0% to 69% the score will confirm the A2 level) corresponding to 21 correct answers out of 30. The candidate who will get from 80% to 100% (24/30 correct answers) in the B1 level test can go on to step 3 and perform the corresponding B2 level test.

Step 3: B2 level test with a minimum score set at 70% (from 0% to 69% the score will confirm the B1 level) corresponding to 21 correct answers out of 30. The candidate who will get from 80% to 100% (24/ 30 correct answers) in the B2 level test can go to step 4 and perform the corresponding C1 level test.

Step 4: C1 level test with a minimum score set at 70% (from 0% to 69% the score will confirm the B2 level), corresponding to 25 correct answers out of 35.
